Virginia SGP Ok, Loudoun County Government, you just violated a couple of constitutional amendments. I'll give you a chance to unhide that post.

1. This Facebook page is a limited public forum protected by strict scrutiny of the 1st Amendment.

2. You deleted a speech post with no objectionable content with no prior notice. That violates the procedural due process guarantees of the 14th Amendment.

3. You have provided no means for appeal or even notice that the post was deleted.. You have provided no reason why the post was deleted. That violates the censorship protections (See Huminski v Corsones).

I would respectfully request you follow the Constitution or I may have to consider filing a 42 USC 1983 case against Loudoun County.
